2019 Worlds Allocation Dates

Dear National Secretaries,

For an optimal organization of the registrations for the upcoming Snipe World Championship (Ilhabela, Brazil, October 7-12, 2019), we will publish the deadlines, according to the Deed of Gift

(<https://snipe.org/images/2015/2015IsaacksWorldChampionship.pdf>)

Per the Deed of Gift, every SCIRA Country has the right to register the following number of boats:

Average Number of Registered Boats for the past 2 years Entries

1-5	1
6-15	2
16-30	3
31-50	4
51-100	5
101-200	6
201-300	7
300+	8

Therefore, I ask you, as soon as possible, to finalize your year-end payment of the SCIRA dues for 2018 (it must be done by Dec 31).

Allocation timetable will be published by February on Worlds website (or earlier), on the SCIRA website & via NS & Bulletin.

These are the deadlines for the 2019 Snipe World Championship:

Initial Registration Period	8-Apr	<i>6 months prior</i>
Initial Registration closed	8-Jul	<i>3 months prior</i>
Allocations open, posted	15-Jul	<i>3 months less 1 week</i>
Unfilled reallocation entries lost	13-Aug	<i>8 weeks prior</i>
Close of entries	24-Sep	<i>2 weeks prior</i>

By July 8, 2019, all SCIRA Countries must have completed their trials or the qualifying regattas for selecting their teams, and must communicate the names of the selected sailors, who must be in good standing with the SCIRA membership. Payment for the Worlds must be made at registration.

It is not possible to consider the Worlds registration valid without the names of the sailors and without the payment of the registration fees.

Subsequent replacements of registered sailors may be accepted only in cases of force majeure.

What is stated in the Deed of Gift prevails over any national regulation. So I kindly ask you to strictly observe the deadlines.

Thanks for your attention.

Best regards

Pietro Fantoni
SCIRA Commodore
