Objective : **to clarify the passages needed to obtain the Measurement Certificate or its duplicate**
To give better control to the National Secretaries on the boats management
To comply with the Snipe Class Rules (Certification Authority)

Proposal (include current & proposed changed wording- changes to be shown in red): Example: By Laws: **Section 1. Racing Season**

*The official ~~racing~~ **sailing** season of this Association shall extend for the full twelve months of the year starting on January 1st and ending on December 31st.*

Section 5. Measurement and Measurement Certificate

Each boat, to be eligible to race, must hold a **Measurement** Certificate of ~~Measurement~~ recommended by the Measurer and approved by the Rules Committee of the Association. To obtain such a Certificate the boat must be examined by the Measurer who shall report his findings on a Snipe Class Measurement Data Sheet (**MDS**) currently approved by the Rules Committee. If the boat complies in all respects the Measurer shall fill out ~~a~~ **the** Measurement Data Sheet (MDS) and send one copy of the same to the National Secretary with the owner's current dues and the original to SCIRA Office. The owner then becomes a member of the Association **and will receive the Measurement Certificate from his/her National Secretary.**

Section 9. Lost Measurement Certificate

If an owner should loose the Measurement Certificate for his boat, application should be made to the Fleet Measurer **or the National Secretary** ~~SCIRA office~~ for a new one. **The National Secretary will then issue the duplicate.**

¹ Proposals can be made by the Board, Technical Committee, National Secretaries or 5 fleet captains up to 1st March.
